	Clients	Contact with children, or adults and their families including within their own homes. There will be contact with a range of agencies and partners.		
Duties and key result areas: <ol style="list-style-type: none">1. To ensure that adequate safeguarding arrangements are in place to promote the welfare, health and development of children and young people.2. To oversee and quality assure complex assessments and other key aspects of practice including court statement as needed by the social work team.3. To oversee the operation of the social work team, making decisions and providing advice and guidance to social workers and advanced practitioners with regard to children in need, children subject to child protection processes and Looked After children. Chairing strategy meetings and signs of safety planning meetings, where there are child protection and child welfare concerns. Allocating work to specified social work staff in accordance with guidance and supporting them to ensure the delivery of effective, multi disciplinary services. Authorising social work assessments and reports via the department's electronic integrated children's system, ensuring that work is of a consistently appropriate standard. Also, to attend multi agency child protection conferences to present reports and assessments for those children deemed to be at risk of significant harm and to chair planning meetings where there are child welfare concerns, making recommendations for actions and interventions to safeguard children.4. To take responsibility for developing skills, expertise and knowledge for a wide range of practice issues and to provide consultation, coaching and mentoring within the team and across the service as a whole.This will include taking responsibility to maintain and develop professional links and leads with multi agency professionals.5. To be conversant with operational and practice issues pertaining to the delivery of social work to children and families and assist the team manager in being visible and accessible to the team and other professionals across the service, to ensure that children most in need are prioritised and responded to appropriately.6. Utilise the skills within the team to develop and implement programmes of activity, prevention and early intervention in order to support children, young people and families.7. Provide regular, formal and informal supervision and appraisal to staff within the team and develop a professional skills base through the provision of training and development as appropriate.8. Supported by the team manager, implement and maintain multi-agency, integrated records in line with legal obligations and agreed agency policy.9. Ensure the team works towards achieving key service delivery objectives identified within the service plan. In addition, develop and implement systems to ensure satisfactory team performance against key performance indicators.10. Supported by the management team, ensure that the objectives set out in statutory guidance and departmental procedures are implemented within the team .11. Supported by the Team Manager, set up robust systems and processes to ensure the service works effectively with other professional groups (i.e. GP's, Consultant Psychiatrists, Schools and other teams) across partner organisations and facilitate staff to work within other teams to promote and deliver integrated services.12. Supported by the management team, ensure that specific areas of service delivery are developed and delivered to meet the needs of children and families requiring specialist social work for a range of associated assessed needs.				

13. To manage financial and other resources effectively and efficiently in line with NCC regulations and to report to senior management on a regular basis regarding the financial position of the designated service area.
14. To monitor and evaluate team performance against service targets including the monitoring of caseloads and the complexity of cases.
15. To provide reports and updates to the management teams as required.
16. To ensure the maintenance of record keeping in accordance with statutory requirements and NCC policy and procedures.
17. To participate in the recruitment, selection, training and development of staff in accordance with NCC policies and procedures.
18. Responsible for the day to day administration and management of the team's offices, including health and safety requirements.
19. To ensure that all services are delivered in a non judgemental, non discriminatory and anti oppressive manner.
20. To ensure the service is child and family centred, focussing and promoting the overall safety and safeguarding of all vulnerable children and those at risk of significant harm.
21. To participate in the management team as required and to participate in the development of the overall service.
22. To actively participate in directorate wide projects related to children's safeguarding as approved by the Team Manager/Senior Manager.
23. Deputise for the Team Manager at internal and external meetings as and when required.
24. To advise and alert the Team Manager of any situation that may be contentious, complex or critical or costly to the team or service so that an appropriate risk assessment and management plan can be put in place.
25. Other duties appropriate to the nature, level and grade of the post.
