Our Aspirations: Our Vision: Our Curriculum

Amble Links First School is a safe, happy, hard-working and welcoming place where pupils are at the centre of everything we do. The vision of our pupils is simply to be 'the best school in the world'.

Our overall intent is to ensure that:

Our PUPILS:

- Can read, can write and can work with numbers confidently and fluently
- Understand and model our '3Rs' of being: Resilient, Responsible and Respectful at all times
- Have high standards of behaviour
- Appreciate diversity and respect differences in a climate of 'It's Okay'
- Lead healthy and active lifestyles and understand the importance of doing so
- Leave us as confident, emotionally intelligent and well-rounded individuals with high aspirations

Our taught CURRICULUM:

- Ensures that the basic skills of reading, writing and mathematics are prioritised to give firm foundations across all other subjects
- Provides the children with a rich, varied vocabulary and a thirst for knowledge
- Is inspirational and consistently taught to a high standard, leading to all pupils making excellent progress regardless of need, ability or background
- Is relevant to the needs of our pupils
- Provides a broad range of opportunities and experiences that prepare pupils for the next stage of their development

Our strong sense of COMMUNITY:

- Builds positive relationships with parents and other stakeholders
- Is reflected in the positive contributions that we make within the local area and further afield
