February 2020

Dear Interested Applicant,

APPOINTMENT OF HEADTEACHER

Thank you for your interest in the post of Headteacher at Kirkleatham Hall School. The retirement of our highly regarded current Head Teacher provides a wonderful opportunity to become Headteacher of our popular, highly successful, vibrant and happy school where children come first.

All of us in school, including our learners, share a vision for the school which is unlocking potential for every child within a happy, caring and stable environment.

My fellow governors and I are very proud of Kirkleatham Hall School because it is a school which values and builds upon its traditions whilst striving to improve upon its successes. We have a committed and enthusiastic staff who provide the very best education and opportunities through a relevant and engaging curriculum and an extensive out of school learning programme, so every child can maximise their attainment and be well prepared for continued education, work and life.

We now seek to appoint a Headteacher who has the experience, leadership and management skills together with the strategic vision to lead our school in its pursuit of excellence.

We would expect that you might want to visit our school in advance of the closing date for applications and you can contact our current headteacher who would be only too pleased to show you round. This would not be part of the selection process.

We hope that the information in this pack will inspire you to apply for this post which we are confident will bring a wealth of new and exciting challenges, and will also be a rewarding and fulfilling role which takes our school into the next stage of its learning journey.

We look forward to hearing from you.

Yours faithfully,

Doug Thomson

Dr Doug Thomson
Chair of Governors
