FRAMWELLGATE SCHOOL DURHAM TEACHER OF FRENCH MPS

Required from 1 September 2021

We wish to appoint a highly motivated and reflective teacher of French to bring a high level of subject expertise and help to improve the quality of teaching in this rapidly improving school. Over the last three years we have assembled an excellent group of senior leaders and teachers who are having a significant impact on the quality of teaching and student outcomes. With an aspirational culture, and a commitment to evidence informed teaching, we want to achieve more. We received a very positive Ofsted inspection in May 2018 and our A Level progress figures that year were the best in County Durham. We have made significant improvements to our curriculum, teaching, and professional development programme and we are committed to reducing teacher workload.

Framwellgate School Durham is an 11-18 non-selective secondary school and Single Academy Trust. The school roll has increased by 35% in three years and in September 2020 we were oversubscribed with more than 1300 students on roll.

The successful candidate will possess subject expertise alongside energy and enthusiasm. They will believe that every young person deserves the very best education. A commitment to raising achievement, and a willingness to learn, train and develop as a teacher are all essential. We can offer you an environment where student behaviour is excellent, prior attainment levels are amongst the highest in the North-East, and our students and staff are a pleasure to work with. With over 20 new teachers, including a number of NQTs appointed over the last three years, we have quickly become a vibrant and exciting school in which to develop your career.

FRAMWELLGATE
SCHOOL DURHAM

Letter of Welcome from Andy Byers, Headteacher

Dear Applicant

I am delighted that you are interested in this post. Framwellgate School Durham (FSD) is a fantastic school. I took up post in September 2017 and most of the SLT have been appointed since then. Working alongside our other talented and experienced staff, the potential is here to make the school truly outstanding. Student behaviour is excellent, and we put a great deal of emphasis on ensuring that teachers can work in an environment where students want to learn. The strength of the school has always been its caring ethos and strong community links, and these remain. By introducing new systems to manage behaviour, rewards, assessment, marking, and teaching, and with a new ethos and curriculum, we have made huge strides in transforming the school. Key to all of this is our commitment to a professional development programme for teachers which includes fortnightly training on cognitive science and evidence informed approaches to teaching, a significant amount of time planning with department colleagues, and 5 days dedicated to training and professional development per year.

I am looking for teachers who are passionate about their subject, have excellent subject knowledge, and who are reflective practitioners, to help us to continue to improve outcomes. I think this is an incredible opportunity and hope you will too; you must be able to work in effective teams and demonstrate resilience, humour and enthusiasm. You must never settle for second best. I will guarantee you our time and support and a fabulous place to come to work every day, especially as we have taken significant steps to reduce teacher workload.

Normally I would advise you to visit but current restrictions prevent this. If you wish to speak to us instead then please feel free to contact my Executive Assistant to arrange a suitable time. You might want to decide whether you can work with us!

In your application, please focus on what makes you an effective, evidence-informed teacher. If you are still training, let me know what you have learnt and enjoyed so far. Make me feel like I am reading about you; try not write a generic letter which ticks the right boxes but doesn't tell me about your values or what you are like as a teacher or colleague.

I am also very interested to learn about what else you can offer the school. I am sure that the thing you remember most about your own time at school was the sports team you played in, the trips or visits you went on, or the school production you were part of. We need our staff, whatever subject they teach, to share their passions (human rights, music, sport, the environment, outdoor education, drama etc.) with our students, so that our extra-curricular offer is truly special.

We have changed so much over the last three years (new teachers including many NQTs, a new sports centre, a new school day, dedicated CPD time each week, a new ethos statement, new uniform, a new curriculum and a real focus on evidence informed teaching) and have much more planned for 2021 and beyond. Developing teachers and leaders in a supportive environment is at the heart of what we do.

Finally, one of you reading this will become a French teacher in a fantastic school next September. You'll love it. Good luck with your application.

Yours faithfully,

Andy Byers

FRAMWELLGATE
SCHOOL DURHAM

About the school

Framwellgate School Durham (FSD) is an 11-18 school which was granted academy status in 2011. There are approximately 1250 students on roll including 130 in the Sixth Form. Our roll is projected to increase by a further 50-60 in September 2020 (by which time we will be oversubscribed), and within the next two years, we envisage a roll of 1400 including 230+ in the sixth form. The school serves the population to the north of Durham city, primarily from the Newton Hall estate, but we attract students from a wide surrounding area and over 20 feeder primary schools. We are a high achieving 11-18 academy with a strong track record in both provision and outcomes. We are fully committed to the students in our care, and work to ensure that both the pastoral provision and quality of teaching is the very best.

Aims and ethos

Framwellgate School Durham is a community that values learning and celebrates achievement. We are an inclusive comprehensive school with high expectations of both our staff and students alike. In the Spring of 2018 we consulted students, staff and parents, and re-evaluated our ethos; the result of this exercise was a new ethos statement (below) which emphasises compassion and kindness and places the well-being and happiness of our students alongside academic achievement. Our new school uniform was introduced in September 2018.

Excellence, Compassion and Respect for All

Our school promotes academic excellence and embraces the shared values of honesty, integrity, respect and compassion. We want our students to be ambitious, kind, resilient and hardworking, and have a genuine passion for learning. We want them to change the world with the knowledge, skills and confidence they have learned here; to champion fairness, have friendships for life, and pride in our school. Above all, we want our students to be happy.

The curriculum

We are committed to providing a knowledge rich curriculum which responds to the needs of the individual student, whilst ensuring access for all to a broad and balanced range of educational experiences. For many students, this means learning with us from 11 to 18. We view this as a continuous, coherent journey and see one of the most important functions of learning, during any key stage, as being to prepare students for the next one. Our curriculum is carefully planned and sequenced and taught by subject specialists.

We recognise that whilst all our students have needs, some have more significant barriers to learning. We are an inclusive school, and through the work of the Achievement Centre, we seek to remove or minimise any barriers to learning that our students may have, be they emotional, physical or academic.

At Key Stage 4 and 5, students receive options guidance linked to future aspirations, and we offer a significant number of GCSE, A Level and BTEC courses which meet the needs and interests of all our students. Nearly all our Year 13 students go on to university, most choosing to study at Russell Group universities.

Pastoral Care and Support

Pastoral care is a strength of the school. This was recognised by Ofsted in 2018. All students are placed in tutor groups, and almost all teachers have a pastoral responsibility, remaining with their tutor group as they move from Year 7 to 11. The tutor is the first port of call for all students. In 2018 inspectors praised student behaviour; indeed, we

place a real emphasis on this aspect of school life and believe that teachers can't teach, and students can't learn, unless behaviour in the classroom, and around school, is excellent. We have effective and robust systems in place to manage behaviour and tackle issues from low level disruption, to more serious incidents.

Teaching and Learning

Having introduced new systems to manage various aspects of school life, and a new knowledge rich curriculum, we spent 2019 developing and improving our classroom practice. We place a very high priority on developing our staff professionally. Middle leadership training has been a strong focus this year and there is an extensive programme of CPD opportunities which seeks to support all staff, identify their development needs and move forward in their practice. In 2017 we introduced collaborative planning time for all departments, to allow them to work together to plan exciting and engaging lessons.

We aim to ensure that our teaching stretches and challenges students, and we are increasingly research-led. We don't ask teachers to follow a prescribed learning cycle but we have invested a significant amount of time on training and CPD and have embraced Rosenshine's principles in planning the key ingredients of a good lesson.

The development of teaching is supported through a supportive appraisal process (no data-driven progress targets and objectives linked to improving professional practice), and lesson drop-ins and learning walks. The support for NQTs is exceptional and we are in the process of developing other training strands for RQTs and those aspiring to middle and senior leadership.

Ofsted

Ofsted does not determine our practice, nor does it dominate our thinking, but we believe that our ethos, curriculum, teaching and support for students are such that an inspection will confirm our own judgements and recognise our successes. Our inspection of May 2018, soon after the new leadership team had taken up their posts, confirmed that we were heading in the right direction. Inspectors highlighted the following "**Strengths**:"

- The new headteacher, supported by a recently appointed and skilled senior team, has brought much-needed drive and ambition to the school. In a short period of time, they have tackled a significant number of weaknesses effectively.
- Pupils' behaviour, sixth form achievement and pupils' progress in English and mathematics have improved. The quality of teaching is also improving.
- Pupils behave very well around the school. Most are attentive in lessons and show respect for each other's opinions. Parents and pupils value the high level of support provided by the school's pastoral team
- The sixth form is good. Most students make strong progress in their chosen studies. They are well supported to go onto higher education, training or employment."

A positive monitoring visit in July 2019 demonstrates that we are on the right track.

The Website and Social Media

Our new website (www.framdurham.com) gives an insight into the school and I would encourage all prospective applicants to look at it, especially the curriculum information about what we teach in each subject. Many departments have an active twitter account and you may be interested in the Headteacher account (@framheadteacher) and school account (@fram_official).

The Languages Department

The Languages department, led by Dawn Hale, is a vibrant and exciting place to work and is one of our strongest departments. The successful candidate will be joining a team of 3 teachers as we have expanded our provision. Students choose their options at the end of Year 8 and the number of students taking French is increasing significantly as we move to a more academic curriculum. In September 2020, over 70% of the Year 9 cohort take French.

At the moment we are concentrating on French, but we have taught German too and some of the older students are taking this as a legacy qualification. Our aim, in time, is to run a viable second language again alongside our core offer of French for the majority of students. We can also offer the successful candidate the opportunity to teach A Level French.

With an increasingly evidenced based approach to teaching and significant investment in CPD, we hope that this position will be attractive to trainee or experienced teachers alike. We signed up to run the Early Career Framework in September 2020, so if the successful candidate is a newly qualified teacher, they will now be entitled to 2-years of support on this new programme, which is led in school, co-incidentally, by our Head of Languages.

Finally

We can offer the successful candidate:

- A great school to work in with huge capacity for change;
- A talented and committed staff dedicated to securing the best outcomes for our students;
- A vibrant local community, loyal to the school, with very strong relationships between staff, students and parents;
- The opportunity to help FSD improve further and put teachers at the heart of this improvement.

Good luck with your application.
