April 2021

Dear Applicant

Thank you for your interest in the post of Lead Learning Mentor at Churchill Community College. Starting in September 2021, this is a grade 7, fixed term post for one year and an incredibly exciting opportunity for the right candidate.

The responsibilities within this role are crucial to support our students and provide a complementary service to existing teachers and pastoral staff in the school, addressing the needs of children who need help to overcome barriers to learning both inside and outside the school in order to achieve their full potential.

The successful candidate will ideally have demonstrable experience to engage constructively with, and relate to, a wide range of young people and families/carers with different ethnic and social backgrounds. To have responsibility for planning and delivering appropriate learning opportunities for students and work as a team with other Guidance staff to coordinate provision for students with SEMH-related barriers to learning.

Churchill Community College is a vibrant, exciting and rewarding place to work, and the role would be perfect for someone looking to undertake a varied role in a school setting that is integral to the smooth running of the Alternative Inclusion Centre.
