Engineering / Design Technology Technician

The King's Academy is seeking to appoint an experienced and well-qualified Engineering / Design Technology Technician to provide technical support to the subject areas through preparing and maintaining resources and equipment required for use by staff and students whilst adhering to Health and Safety Regulations at all times. The successful candidate will have the appropriate experience in a similar role or in the subject area and hold a related qualification.

If you believe you have the vision and commitment to work in an Academy which seeks to raise achievement as well as set and maintain high standards and expectations, we would like to hear from you.

The King's Academy has a reputation for excellent standards of behaviour and first class resources.

For an application pack and further information, please

visit <http://www.thekingsacademy.org.uk/recruitment>, call 01642 577 577 or email: recruitment@thekingsacademy.org.uk

Closing date: 9am on Monday, 14 June 2021

The King's Academy, Middlesbrough (by North York Moors National Park, and commutable from York, Newcastle, Durham, Ripon, Richmond, Thirsk)

- Distinct Christian ethos, with highly diverse intake
- Strong track record of students' achievement at all stages
- Excellent student behaviour throughout the Academy
- Focus on 'character first' education
- Large and expanding Sixth Form
- Unique inclusion policy: specialist provision (c.10% of entry) for visual and hearing impairment and higher learning needs
- Superb opportunities for CPD and rapid career progression

The King's Academy takes its responsibility for safeguarding children very seriously and successful applications will be subject to an Enhanced Disclosure via the DBS, along with standard pre-employment safeguarding checks.
