We are looking to appoint a Night Care Officer with a great sense of humour and who is a real team player. Our service is a residential home for individuals with physical and learning disabilities whom require intimate personal care.

Chipchase House is busy and energetic service, full of laughter where no two days are the same. Our team has brilliant relationships with residents and never pass up the opportunity to brighten up their day. The residents we care for have a wide range of interests - from knitting and the cinema right through to rock music and high wire diving. We take great pride in being able to support our residents in achieving their goals.

It is important to be a real team player. Flexibility with an ability to adapt and respond to evolving situations is an important skill for our team that helps us maintain the highest level of care.

If you think you have what it takes to join our team we would love to hear from you.
